

HOW THE ONLINE AUCTION WORKS

Anyone can participate in this online silent auction! All packages are listed at <https://www.32auctions.com/OshkoshOffBroadway>.

Do I need to create an account to bid on items?

Anyone can preview auction items without an account. But once a package catches your eye, you will need an account in order to bid on or “watch” items. The registration process is quick and minimal information is needed. Your name will NOT be displayed to the public as a bidder.

If you bid in our online auction during A Grand Night 2019, you already have a 32Auctions account. You can use it for this auction too! **Don't worry, you can reset your password if you need to.**

How does bidding work?

Once you've created an account, you can bid between May 3 and May 8 with either proxy bids or exact bids. Proxy bidding allows you to enter the maximum amount you're willing to spend, with the goal of winning the item at the lowest possible price. The system will bid for you, up to your maximum proxy bid amount, as additional bids are entered on the item. (Your maximum proxy bid amount is never exposed to anyone other than you.)

You will also be able to view your favorite auction packages throughout the week to enter exact bids at their minimum increments.

Please read all details on the listings before bidding. Select packages are available for shipping, and others will need to be picked up at The Grand Oshkosh Box Office.
